THE EASTERN WOODLAND CARVERS CLUB NEWSLETTER

September/October 2018

The display window by the front door is being dedicated to display a *Featured Woodcarver* each and every month. For the month of August, the window honored Gary Freeman. September we celebrate the work of Jeff Moore. Who knows, maybe October could showcase your work?

A big thank you goes out to all who have been helping paint and repair the front of the club building. It's really starting to take shape, but there's still a fair bit to go. If you'd like to pitch in, stop in and see us on Tuesday nights while the weather still holds.

Nominations are being listed for Board of Directors. Please have a look on the Club Bulletin Board. If you would like to serve, just add your name or see Bill Taylor.

Legendary Artist Rich Wetherbee is offering seminars October 16-18 from 6-9pm for only \$30.00 per night. All proceeds are being donated to the club in honor of Gary Freeman, so be sure to sign up. Rich is a terrific instructor and this is a great way to give back to the club and help honor Gary's memory.

If that's not cool enough, Randy Hurst is offering all day seminars the weekend of November 3rd and 4th. Randy's always a hoot. You don't want to miss out on this. Stay tuned for further details...

The Club will be hosting a Sale the 2nd Tuesday of each month from 6-8pm.

If you have items for the Gift Shop, please bring them in. We're hoping to advertise this event and make it a successful club venture.

WOOD CARVERS MEETING

We'll hold our next Board Meeting on December 4, 2018 at 6 pm to conduct business. All are welcome. We need officers present and accounted for and require five board members for a quorum. If you have any ideas for subjects that need covered, drop us a note.

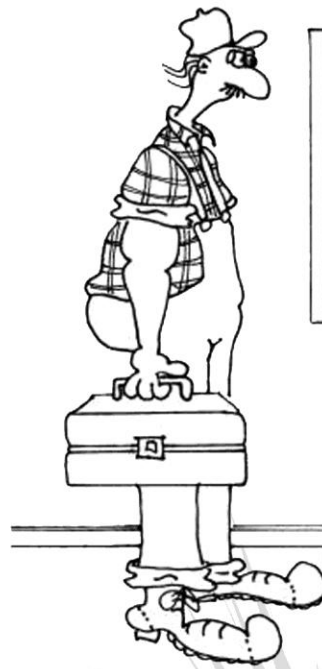

One item we will be addressing is the need to make some corrections to our by-laws. This would be a good meeting to attend as this will certainly affect the future of the club.
